Dedicated Loan Signing Agent with a meticulous eye for detail and bilingual proficiency (English/Spanish). With 3 years of error-free work and letters of recommendation for my notary services, I am punctual, professional, and committed to ethical conduct, prioritizing client satisfaction. Offering mobile scanning for swift processing and same-day shipping flexibility. Trustworthy, experienced, and customer-focused, I'm available 24/7. Proudly serving Hidalgo, Cameron, Starr, and Willacy County. Your peace of mind is my priority—making signings seamless and positive anytime, anywhere. All pricing is negotiable because I value building strong client relationships over rigid fee structures. Additionally, I have extensive experience as a transaction coordinator and disposition manager, making me highly familiar with all aspects of title work.
